Thanks

Thanks to the workers in our neighborhood cleaning, mowing, and repairing.

If you can't make the Clean-up Day, your efforts are still appreciated at other times during the week.

Thanks to those who support the Potluck activities.

Volunteers are important to our neighborhood. Every job, task or chore is performed by a volunteer. Road repairs, Community Center utilizes paid, grass mowed on the airport road, park clen-up—all done by volunteers who care about your community.

Your help will be appreciated
